This guide will help you update your profile information should something change or is missing (i.e., e-mail address/password, personal information, and mobile number).

Step 1: Visit <u>UID WWAMI Medical Education | (uidaho.edu)</u> and log in with the credentials that apply to you.

	Log in	C→ Create account 🏻 🏋
Find a course		٩

Step 2: Click **My Account** on the top right of the page or from the navigation bar on the home page.

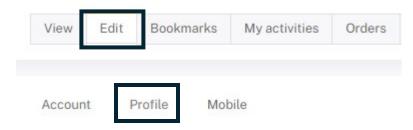

You can change your e-mail address or reset your password. Once you have made changes, select the save button.

Step 4: Click the **Profile** tab. On this screen, you can view and change your personal information (i.e., name, address, degree, etc.). All fields with an asterisk require a response.

Profession will determine the credit you are eligible for, so ensure that information is accurate – scroll down to **Profession**.

Preferred pronouns	
Enter your pronouns as you would like others to refer to you. For	example: she/her/hers, he/him/his,

If you intend to claim MOC Credit, ensure your diplomate number and date of birth are accurate. Date of Birth appears below the Professions field.

If you have changed your mobile number, click **Delete & Start Over** to enter your new number. You will need to confirm it by entering the system's automated 4-digit code sent via text.

A **Sleep Time** option is available, but you can skip this. The system will **never** text you outside of automatic confirmation codes for confirming new mobile numbers or recording your RSS credit.
